Lourdes M. Iglesias

Volunteer Services Manager

Catholic Hospice has several volunteer opportunities which include the areas of patient care, special events and administrative.

Patient Care Volunteers

Catholic Hospice needs volunteers to visit terminally ill patients in their homes or in a nursing home. This requires visiting a patient once or twice a week for two to three hours. The volunteer becomes a friend to both the family and patient and does whatever a good friend might do (shopping, reading, reviewing photo albums, light housework, dishes, changing the laundry from washer to dryer, listening and giving emotional support). Persons who have some flexibility in their schedule and who are bi-lingual are especially needed. A commitment of one year of service is requested.

The first step is for the volunteer to return a completed application to the Volunteer Services Department a interview may be scheduled at that time with the Volunteer Services, Manager (in either our Miami Lakes or South office). The application includes references, a personal health statement, and a request for a background check must be filled out at that time.

The volunteer is also **required** to attend training class; this training is scheduled four times a year. A test **or proof of recent test** for tuberculosis is **required**. Potential volunteers will be given resources to obtain this test and notified of scheduled dates, in which they will be given, free of charge at Catholic Hospice. When the background check is completed, the volunteer will receive his/her first assignment. The volunteer is usually assigned to a family nearby and sends in the required "Volunteer Progress /Plan of Care Note" to the Volunteer Services Dept. on a weekly basis. It is currently the policy of Catholic Hospice that prospective Patient Care volunteers wait a period of one (1) year following the loss of a loved one before actively volunteering with patient/families. Other volunteer opportunities may be explored during this one year time period.

Administrative Volunteers

Persons who are available during office hours may be considered to work in our offices (Miami Lakes, Kendall or Broward). They perform tasks such as filing, shredding documents, copying, preparing mailings, answering the phone, data entry, and preparing information packets.

Event Volunteers

Persons who enjoy participating in community events can work at our Catholic Hospice booth. We typically set up booths at local malls and miscellaneous community events in an effort in increase community awareness of our volunteer opportunities and to promote special programs such as Camp Hope (an annual bereavement cam for children).

Camp Erin Volunteers

Persons over the age of 21 who would like to volunteer for Camp Erin, a weekend bereavement camp sponsored by Catholic Hospice annually for children of all faiths between the ages of 6 and 17. Volunteers are needed for a variety of activities and can choose a convenient time during the weekend to volunteer or may be considered as a cabin leader which requires the volunteer to spend the weekend with the campers.
